Welcome to the 2014 GuideStar Nonprofit Compensation Report. This year's report, the 14th in our annual series, is derived from information on more than 129,000 individual positions at more than 91,000 tax-exempt organizations. The executive summary presents findings based not only on this report but also on data for previous years.

The GuideStar Nonprofit Compensation Report remains the only large-scale analysis of its kind based entirely on data reported to the IRS. It also continues to be the most comprehensive nonprofit compensation study available.

Accurate, complete, and authoritative information on the nonprofit sector is more important than ever. The Pension Protection Act of 2006 increased the penalties for excessive benefit transactions, including overpayment of nonprofit executives. Meanwhile, Congress, donors, and the media continue to scrutinize nonprofit salaries.

Nonprofits must demonstrate to oversight agencies, grantmakers of all types (government, corporations, and private foundations), and individual donors that the salaries and benefits they offer are justified. They must document their compensation practices and be prepared to help their supporters understand why these practices are appropriate. The GuideStar Nonprofit Compensation Report is a valuable tool for achieving these goals.

This volume was conceived, designed, and compiled by Chuck McLean, GuideStar's vice president for research. We welcome your comments and suggestions. Please e-mail your thoughts to cmclean@guidestar.org.

Thank you for acquiring the 2014 GuideStar Nonprofit Compensation Report. We look forward to hearing your comments as we plan for the 2015 edition.
